

Directions to the home of Amy Campbell

From the north - At the intersection of Chestnut St. and Rt 1 in Camden, turn left. This road turns into Russell Ave. as you enter Rockport. Go by Aldermere Farm (charismatic belted cows.) The second left is Beauchamp St. (sign on right only, street on left only). Go to end, not making 90 degree turn onto Spear St., and entering an area of driveways beyond the dead end sign. Bear left into the woods looking for a private way sign. Do not cross white rock strip that is in driveway that heads more directly up the hill. Stay left, going farther into the woods. We are the only house at the end of a long steep curvy drive. 68 Beauchamp St. is the address. 236- 8530 the phone if you get lost.

From the south - Depending on how far south, 7 miles past Waldoboro on Rt. 1, turn left onto Rt. 90. Follow to end and cross Rt. 1 (it becomes West St.) as it comes into Rockport dead ending on Pascal Ave. Turn left. Go across bridge and bear right and then up the hill in the town area. Bear rightish at top of hill, not turning left at triangle, and pass CMCA (Center for Maine Contemporary Art) on right. At third road intersection turn right - Beauchamp St. (sign only on left, road only on right) and follow instructions as indicated above.

From Rockland, Thomaston, etc, Follow Rt. 1 north to intersection of Rt. 1 and Pascal Ave. (Hoboken Garden Nursery is just beyond). Follow about a mile and cross bridge, bearing right and up hill. Then follow instructions as above.

From Union and parts west, Go east on Rt. 17 to intersection of Rt. 90. Turn left and go to end and cross Rt. 1, then follow instructions from the south.
